CAREER OBJECTIVE

Motivated B.Tech Computer Science (Artificial Intelligence) student with a strong foundation in Python, C, C++, SQL, databases, and problem-solving. Experienced in developing Python-based projects and continuously strengthening Data Structures & Algorithms skills. Interested in software development, Artificial Intelligence, and data-driven applications, with a strong focus on continuous learning and practical implementation.

EDUCATION

B.Tech - Computer Science (Artificial Intelligence)

Medicaps University | 2024–2028

Current Year: 3rd Year

Academic Performance

- Semester 1: 8.91 CGPA
- Semester 2: 8.95 CGPA
- Semester 3: 9.01 CGPA
- Semester 4: 9.18 CGPA

Class XII - CBSE

Vidhyanjali International School | 2024

Percentage: 84%

Class X - CBSE

Vidhyanjali International School | 2022

Percentage: 84%

TECHNICAL SKILLS

Programming Languages: Python, C, C++, Java (Basic)

Data Structures & Algorithms: Arrays, Strings, Searching, Sorting, Problem Solving

Databases: MySQL, MongoDB

Core Subjects: DBMS, Operating Systems, Object-Oriented Programming

Tools & Platforms: Git, GitHub, VS Code, LeetCode, HackerRank

PROJECTS

Expense Tracker - Python

GitHub: <https://github.com/harshi-240/Expense-Tracker-Python.git>

- Developed a Python-based application for recording and managing personal expenses.
- Implemented functionality for adding, tracking, and organizing expense records.
- Applied Python programming and data-handling concepts to build a practical application.

Personal AI Tool

- Developed a personal AI-based tool as the capstone project during the Infosys Springboard AI EMPOW(H)ER Program.
- Worked with AI concepts and prompt-based interaction to create a user-oriented solution.
- Gained practical experience in AI tools, prompt engineering, and application development.

CERTIFICATIONS & ACHIEVEMENTS

- Python Developer Certification – GeeksForGeeks
- Prompt Engineering Certification – Infosys Springboard
- Exploratory Data Analysis Certification – NASSCOM FutureSkills Prime
- Analytical Thinking & Logical Reasoning Certification – Board Infinity
- Java Certification – Spoken Tutorial, IIT Bombay
- Thinkathon 2026 – 7th Rank among 500+ Participants – Mediacaps University

INTERNSHIP EXPERIENCE

AI EMPOW(H)ER Program – Infosys Springboard

Virtual Internship | 8 Weeks | 2026

- Developed a Capstone Project – Personal AI Tool as part of the internship.
- Applied Prompt Engineering techniques to design effective AI interactions and improve the tool's responses.
- Gained practical exposure to Artificial Intelligence, prompt engineering, problem-solving, and project development.

SOFT SKILLS

- Problem Solving
- Analytical Thinking
- Quick Learning
- Time Management
- Adaptability
- Consistency

HOBBIES & INTERESTS

- Painting & Sketching
- Calligraphy
- Basketball
- Exploring Artificial Intelligence & Emerging Technologies
